THE SUFFOLK GUILD.

REPORT for the Year 1926.

The out-standing event of the year 1926 was the visit of the Central Council to Ipswich, at Whitsuntide. An excursion round West Suffolk was arranged and a tea given to all who were interested in the meeting. The weather was favourable and general pleasure was expressed by everyone at the arrangements made. Not quite sufficient funds were raised and it will be necessary to consider how to close this account.

It might appear to be only a reaction to this unwonted activity that fewer meetings of our own have been found possible this year, but this would not seem to be the true explanation. From all sides complaints are made that meetings are not being held; while it is difficult to get any but a few select towers to welcome meetings.

Apparently, owing to the gap caused by the war, the old and young ringers do not combine in as good a succession as in the past. It is true that in one or two towers the method of compounding has led to young ringers persevering and learning change ringing; may the number of such new towers increase. But most old ringers do not seem to have the patience or discernment to keep on helping to teach beginners, and so many ringers do not seem to have the time now-a-days to attend meetings.

It has already been pointed out that in our list of members there are 60 towers with less members than there are bells, where, of course, the Guild would gain if the Church Authorities concerned could be induced to compound; while there are 46 more towers where there are rings of five or more bells and no members at all.

There is here a good field for the Guild to work on besides the many towers that are not yet mentioned in the Report. Can we not make a move to get all Districts to hold at least one meeting a quarter and, in addition, to arrange a District Peal once a quarter? Once a month in each case would be better and should not be impossible. At every meeting it should be a rule to try to get at least one new tower interested.

During the year a number of towers have been visited by your secretary and reported on. At Voxford the six bells have been thoroughly repaired and put into good going order, and a band of change ringers are being instructed, who are hoping to join the Guild. At Metfield the middle bell of the three has been welded by the firm of Barimar, and the crack seems to have been quite repaired.

We are asked to lend any interesting exhibits, such as jugs or sets of ancient rules from our bellfries, to the Exhibition at the Church Congress, at Ipswich, by September 26th.

Signed on behalf of the Committee,

W. T. FARMILOE, Archd.

President.

LIST OF PEALS RUNG up to Dec. 31st, 1926.

RINGING MASTER'S REPORT.

During the year 1926, 64 peals have been rung by the Guild, this being 4 less than the previous year. Peals on higher numbers than eight show an increase this year, as also do peals of minor, but the eight bell peals show a falling off of thirteen.

An outstanding event of the year was the ringing of the fiftieth consecutive Surprise Peal, at Leiston, a truly remarkable record, and a very good indication of the way this company is enriching our Surprise Peal list. The St. Mary-le-Tower Society have had a successful year, with seven peals on twelve, including four different methods of Maximus. The band located in and around Helmingham have again distinguished themselves with some good performances. The Lavenham band still remains almost the only peal ringing band on the west side of the county, and continues to add good peals to our records. Our six bell members have been more active during the year and several good performances are recorded, especially the peals in 6 and 7 methods, at Blaxhall, Thornham, and Wrentham.

A list of towers where peals have been rung during the year, and also of conductors, have been added to the report and should prove of interest.

CHARLES J. SEDGLEY,

Jan. 31st, 1927.

Ringling Master.

FOR THE DIOCESE OF

ST. EDMUNDSBURY AND IPSWICH.

OBJECTS.

1.—**Federation.**—To supply an organisation which shall unite the separate companies of Church Bell Ringers within the Diocese, for the purpose of mutual support and encouragement in the performance of the duties of their office, and in the practice of their art.

2.—**Recognition.**—To obtain full recognition of the ringers' office as essentially a branch of the Church's work; that ringers and their services (qualification for which demands much time, skill, and mental labour) may be placed upon a true and acknowledged basis.

3.—**Promotion of Change Ringing.**—To encourage, cultivate, and foster the art of scientific Change ringing by frequent meetings in various centres for practice or peal-ringing; and to provide, as far as possible, and at a reasonable cost, instructors when and where required.

4.—**Reform.**—To correct abuses, irregularities irreverent and unbecoming behaviour in the ringing chamber; to promote a proper appreciation of it as a part of God's House; to encourage the bestowal of care and attention on the cleanliness and proper equipment of the ringing chamber, as well as the preservation of the bells in an efficient condition, to advocate needful repairs and renovations; and to supply, when required reliable information and advice of a practical character concerning the conditions of bells and their fittings.

CONSTITUTION.

1.—The Guild shall consist of (a) Members, (b) Performing Members, (c) Honorary Members, (d) Life Members.

(a) Members may be elected at any meeting when there are five other Members present. Or, by two other Members, before starting for a peal. No peal shall be recorded unless the subscriptions of all taking part in it are paid.

(b) Performing Members may be elected as soon as they have rung 120 changes on a Tower Bell; or on two Handbells retained in hand.

(c) Honorary Members may be elected on a life payment of £2 2s. 6d.; or 2/6 a year; the other Members (including the Clergy), 1/- a year.

(d) Life Members, residing out of the Diocese, to pay 5/-.

2.—The Committee shall consist of the President, Vice-Presidents, Ringing Master, Secretary, Treasurer, each District Secretary, and seven elected Members, who may co-opt three other Members.

3.—All these shall be subject to election at each Annual General Meeting, held on Easter Monday, at Ipswich and Bury St. Edmund's alternately.

4.—Each Archdeaconry may have its own Secretary, and hold its own Quarterly Meetings.

5.—A District Secretary, in his District, shall

(a) Arrange for Meetings for Practice.

(b) Arrange for Instruction.

(c) Collect the Subscriptions of all Members.

RULES.

1.—Subscriptions shall be due on January 1st. New Members elected after October 31st shall not pay a second subscription for the next year.

2.—Any Member whose subscription is unpaid on December 31st, and on being reminded, does not pay his subscription, shall lose his membership. Lapsed Members may be reinstated on payment of 1/- in addition to the annual subscription.

3.—Junior Members, under the age of 17, may pay half the subscription and no entrance fee, but in that case may not vote at meetings and will not receive a Report.

4.—The Committee may, at its discretion, allow a Tower to compound on payment of 1/- per bell yearly; this to include all the Ringers, Clergy, Steeplekeeper, and Clerk; provided their names are sent to the Secretary with the subscriptions before Jan. 31st each year. Members who wish to be elected in any other month must pay the usual amounts for that year. As many Reports as there are bells will be supplied to the Secretary of a company so compounding. In return for this privilege, Members of such a Company should feel in honour bound to obtain as many Honorary Members as possible for the Guild.

5.—All ringing at Meetings of the Guild shall be such as is approved by the Central Council, and the decisions of the Central Council shall be recognised in recording any ringing performances.

6.—The Committee may remove a Member from the Guild for serious offences against the Objects and Rules.

7.—These Rules can only be altered by a General Meeting, after notice given at a previous General Meeting, or at each Branch, or District Meeting. The Objects and Constitution can only be altered by a resolution passed at two General Meetings. Provided that the amounts of Subscriptions can be altered at a General Meeting after three months' notice.

* " Rules and Decisions of the Council," price 6d., post free, from the Hon. Librarian, Rev. C. W. O. Jenkins, Broadlands, Caversham, Reading.

LIST OF MEMBERS FOR 1927.

After the name of each tower is printed —

- 1st. The number of bells in it.
- 2nd. Printed between () is the weight in cwt., if known, and the note of the Tenor
- 3rd. The condition of the bells: X standing for excellent or good; P for poor, i.e., the bells can be rung for a peal, but need some repair, W means something wrong, or the bells go so badly that a peal cannot be rung
- 4th. The Day and Hour of the weekly practice
- 5th. The methods then rung: gr. means Grandsire; b Plain Bob, s. Stedman, a. all i.e., Treble Bob and other methods.

When a C appears it means that all the names after it have been compounded for.

* after a name means a Change Ringer

(c) means Captain (or Secretary)

ESTABLISHED 1802.

GEORGE DAY & SON, Church Bell Hangers, EYE, SUFFOLK.

*Bells Hung in Massive Oak or Wrought Steel Frames
 at Reasonable Prices. Ball Bearings a Speciality.
 Bell Ropes and Muffles.*

OLD FRAMES REPAIRED AND BELLS RE-HUNG.

A large Bell fractured at dome and parts completely broken out.

In the case of the bell illustrated, flawless welding was required so that the purity of tone would not be impaired. In this case it is possible to "hear" the soundness of Barimar Welding.

Barimar charges are always low; delivery is the quickest in the trade; and each bell repaired is covered by the Barimar "Money-back" Guarantee.

Consign Broken Bells carriage paid, to London Factory and advise as by letter.

BARIMAR

The Scientific Welders of Bells.

Broken Bells repaired by Barimar at low charges.

The saying "sound as a bell" is always true in regard to Barimar Welding, as soundness, strength and wearing quality are the three essentials in Barimar's work.

The repair of broken bells is an everyday job in the Barimar Factory.

The same Bell after repair by Barimar Welding Process. Stringent tests proved that the tone of the bell was in no way affected by the welding, while the dome of the bell was much stronger than before and able to resist greater strain. The Repair was done at a small cost in THREE days and under Barimar Guarantee.
